

Theme Showcase

Current Font Theme: **modern**

Current Color Theme: **cambridge-blue**

1 Typography Sample

This document demonstrates the current theme. Here's a sample of regular text with **bold text**, *italic text*, and monospaced text.

1.1 Mathematics Sample

$$E = mc^2 \quad \text{and} \quad \sum_{i=1}^n i = \frac{n(n+1)}{2}$$

1.2 Code Sample

```
1 def hello_world():
2     print("Hello, World!")
3     return True
4
5 # Call the function
6 result = hello_world()
```

2 Color Samples

- Main Color: ■■■■■■
- Accent Color: ■■■■■■
- Highlight Color: ■■■■■■

2.1 Box Samples

Inline code: `print("Hello World")`

Note

This is a note box that uses the main color.

Example

This is an example box that uses the accent color.
